And now "Da Capo" volume 2 is on sale! (laughs)
I am Tanihara Natsuki.
Unlike volume 1, this sequel has a serious story.
While I was drawing it, my face became very serious, and the people around me thought it was mysterious. (laughs)
With this one volume, "Da Capo" is now complete.
Surely, Junichi, Nemu, and Kotori will find love for themselves!

FINISHING NOTE:

We did volume 2 for our own sake too. 6 little chapters with some willpower, time and wish to bring the end of readers waiting. We're hoping that you who read these words right now, enjoyed both our work and the first Da Capo Series itself. We're not saying "goooobye". Da Capo Secono Graduation will be continued of course. ^^
